RESPONSE TO NOTIFICATION OF
MISSING REQUIREMENTS UNDER 35 U.S.C. 371

Hon. Commissioner of Patents
And Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In connection with the above-identified application, the Notification of Missing Requirements mailed July 7, 2005 has indicated the following items must be furnished:

- (1) Oath or declaration of the inventors – **an executed declaration is submitted here.**
- (2) A Sequence Listing, both paper copy and computer readable form, as well as an amendment directing its entry into the application and a statement that the content of the sequence listing is identical to the written sequence listing – **This requirement seems to be made in error, since our application does not**

include any sequences in the disclosure. Per a telephone call to Ms. Barbara A. Campbell of the U.S. Patent and Trademark Office, to inquire about this, we were informed that no sequence listing was needed and to note that on this response.

We also note that the Notification did not indicate any fee due for late filing of the declaration. Assuming this to be in error, we authorize payment from our deposit account of the surcharge for late filing of declaration fee, large entity fee, \$130.00. Our deposit account number for this purpose is 500867.

An early and favorable action on the merits is respectfully requested.

Respectfully submitted,
